Free Scholarship Search Databases

You are encouraged to search for additional scholarship funding as this is only a starting point, not an exhaustive list of opportunities. Some of the Study Abroad Funding tools allow you to search for grants and scholarships by country and field of study.

- **Scholarship Portal:** This website provides a comprehensive free search database system for scholarships available throughout Europe; you can search by region, country and discipline.
- **FastWeb:** This website will not only help you find study abroad scholarships, but scholarships of all kinds that may help you get through the rest of college. The service is free but offers a number of extra benefits if you decide to register.
- **Mach25 Scholarship Search:** This is a simple and free scholarship search database. In a Keyword Search, try entering the name of a language you are interested in and browse through the results to find anything you qualify for.
- **IIE Passport:** This database is a comprehensive search engine for all study abroad programs registered with IIE passport.
- **Grants.gov:** The great thing about grants is they're NOT loans, so you don't have to pay them back. Use this database to find money available to cover various costs of study abroad.
